**Review the terms and conditions for publishing articles (please mark  for all items)**

- Articles submitted for consideration for publication in the journal must be newly written articles that have never been published or are under consideration for publication in any journal before.
- The article has been prepared in the format specified on the website. (If the format does not comply with the specifications, the journal reserves the right not to consider it further.)
- The article must have an English abstract of no more than one paragraph (300 words) and a coherent English abstract.
- The English abstract in the article must be grammatically correct and have been peer-reviewed.
- The article must be cited in English and in the format specified by the journal on the website, including references in the text and at the end of the article.

- The images used in the article are either created by the author himself or authorized by the image owner, with clear references.
- After the article has been submitted for consideration, the editor's opinion is final.
- I have read the Journal's Terms and Conditions, Article Preparation and Submission.
- I have attached proof of transfer.
